

CUSTOMER JOURNEY MAP

Date	29 JUNE 2026
Team ID	XXXXXX
Project Name	Human Development Index (HDI) Predictor
Maximum Marks	2 Marks

CUSTOMER JOURNEY:

This Customer Journey Map illustrates how a government policymaker interacts with the HDI Predictor, from discovering the system to generating HDI predictions and using the insights for effective policy planning and decision-making.

Customer Journey Canvas

Mapping a customer journey

The Customer Journey Canvas illustrates how a government policymaker interacts with the **HDI Predictor** throughout the prediction process. It captures the complete user journey, from discovering the application to generating Human Development Index (HDI) predictions and using the results for policy planning. The canvas helps identify user goals, touchpoints, experiences, business objectives, and opportunities for improving the overall user experience.

Journey Stages

- **Discover:** How does the policymaker become aware of the HDI Predictor and its capabilities?
- **Understand:** How does the user explore the system, its features, and the benefits of HDI prediction?
- **Enter HDI Indicators:** How does the user provide socio-economic indicators such as GDP, Life Expectancy, Education Index, and other required inputs?
- **Generate & View Prediction:** How does the system process the data and present the predicted HDI score through dashboards and reports?
- **Policy Planning & Future Analysis:** How does the policymaker utilize the prediction results for informed decision-making and future development planning?

Instructions for filling out the Customer Journey Map

This Customer Journey Canvas represents the complete workflow of the **HDI Predictor** from the perspective of a government policymaker. Each stage highlights the user's activities, objectives, interactions, and system support throughout the prediction lifecycle.

Stages

Represent the major phases of the policymaker's journey while using the HDI Predictor.

Customer Activities

Describe the actions performed by the policymaker during each stage of the prediction process.

Customer Goals

Identify what the policymaker aims to accomplish at every stage.
